Agenda

Welcome and Introductions

Information sharing (please come and share your news and developments)

Turnaround Innovation Fund (Small Grants Scheme)

Greg Jackson (Contracts Officer, BBC) will give a presentation about this new small grant fund for voluntary groups and answer questions so increasing your chances of making a successful bid.

Referring Children and Young People to Social Care

Jane White (Service Manager, Childrens Social Care) will explain how the new team is working and how you can refer children and young people.

Integrated Youth Service referrals

Helen (BCVS) will go through the new guidance on requesting support from the Integrated Youth Service.

How do we contribute to prevention work with 0-18s?

Steve and Helen (BCVS) will facilitate a discussion about how we in the voluntary and community sector contribute to prevention, covering what we prevent, how we prevent it and what we could do with more resources. We will link this to current statutory priorities so that BCVS can articulate on your behalf to statutory agencies how you can help them deliver on these priorities. So please come prepared to talk and share what you do (but you will get mince pies at lunch as a reward!)
