Welcome and Introductions

Information sharing (please come and share your news and developments)

Where on the C are you?

Steve Place (BCVS) and Tracey Kybert (BBC Early Help Commissioner) will be looking at what information was given at the last forum about how voluntary and community organisations contribute to prevention and help you to identify where on the Early Help C continuum your organisation sits. More information on the continuum can be found here:

How to Manage our Volunteers

All of us work with volunteers. We recruit, induct/train, manage/support, acknowledge/thank and say goodbye to our volunteers. What works well and what does not work quite as well? March's forum offers you the opportunity to come along to learn and share with one another, picking up some useful hints & tips enabling us to be more effective in this important area.

Networking Lunch

To Book (by Thursday 27th February), please go to:
