Agenda

Welcome and Introductions

Information sharing (please come and share your news and developments)

How do you want to have your say?

Tracey Kybert (BBC Early Help Commissioner) will be setting out what planning and strategic groups exist in Children Services, what they deal with and who to contact. Steve Place will lead a discussion about how best we can contribute to these meetings/boards, is it through elected reps or consultation, or both or some other means?

Turnaround Fund

The borough council has set up this new fund to support those providing services to troubled families. However listening to feedback from stakeholders (both within and outside of the council) they have changed the criteria to make it as flexible as possible. Tracey will briefly set out the changes.

We want volunteers!

All of us use volunteers. So how do we recruit, induct/train, manage/support, acknowledge/thank and say good bye to our volunteers? Helen Hender will lead a discussion on best practice, so come along and share how you deal with volunteers and with your questions about good practice so we can learn from each other what works, and does not work!
