Integrated Youth Service Update?

As you may or may not be aware there are big changes coming to our local youth services. These changes have wide and significant implications for the voluntary sector and the work we do with young people. We will be inviting a Manager from the Integrated Youth Service to come along to our Forum to give us an update and to continue discussions of how we can work together to lessen the impact of the changes on young people in Bournemouth.

Networking Event

A number of our voluntary youth groups have requested that we hold a networking event where we can get an update on what services are being offered to young people in the local area from the voluntary sector. We would therefore like to invite as many groups/projects/organisations as possible to come along and showcase their work. There will be an opportunity to display, discuss and network with others. Please come along willing to share and be amazed by all the great work that is happening with young people.

Networking Lunch

To Book (by Friday 30th May), please go to:
