Agenda

Welcome and Introductions

Funding

Groups are always looking for money to meet the needs of the children and young people they work with. However some of the big funders still say that they get fewer applications from our area than expected and/or are of poorer quality. So we have invited speakers to help you improve your potential success rate by telling you the basics of their fund and dos and don'ts of applying:

Pam Bacon, Regional Officer, Children in Need

Gemma Walker, Partnership Manager (BBC Children In Need Emergency Essentials Programme)

Kirsty Main, Funding Officer Dorset, National Lottery Community Fund

Linda Maguire, Bournemouth, Christchurch and Poole Council (Funding Advice and local Lottery)

Information Sharing

A vital part of our forums is being able to share up to date information about any existing or new work that is happening. So please come prepared with any leaflets, flyers, information etc.

Networking Lunch

All the speakers are staying for lunch to answer any specific queries you might have.

To Book by 25th April 2019, please go to: <https://cyp300419.eventbrite.co.uk>
