

Integrated Working

Presented by: Laura Martin: Day Hospital (RBCH)
Nikki George: Health and Social Care Coordinator Lead (DHUFT)

Our Challenge

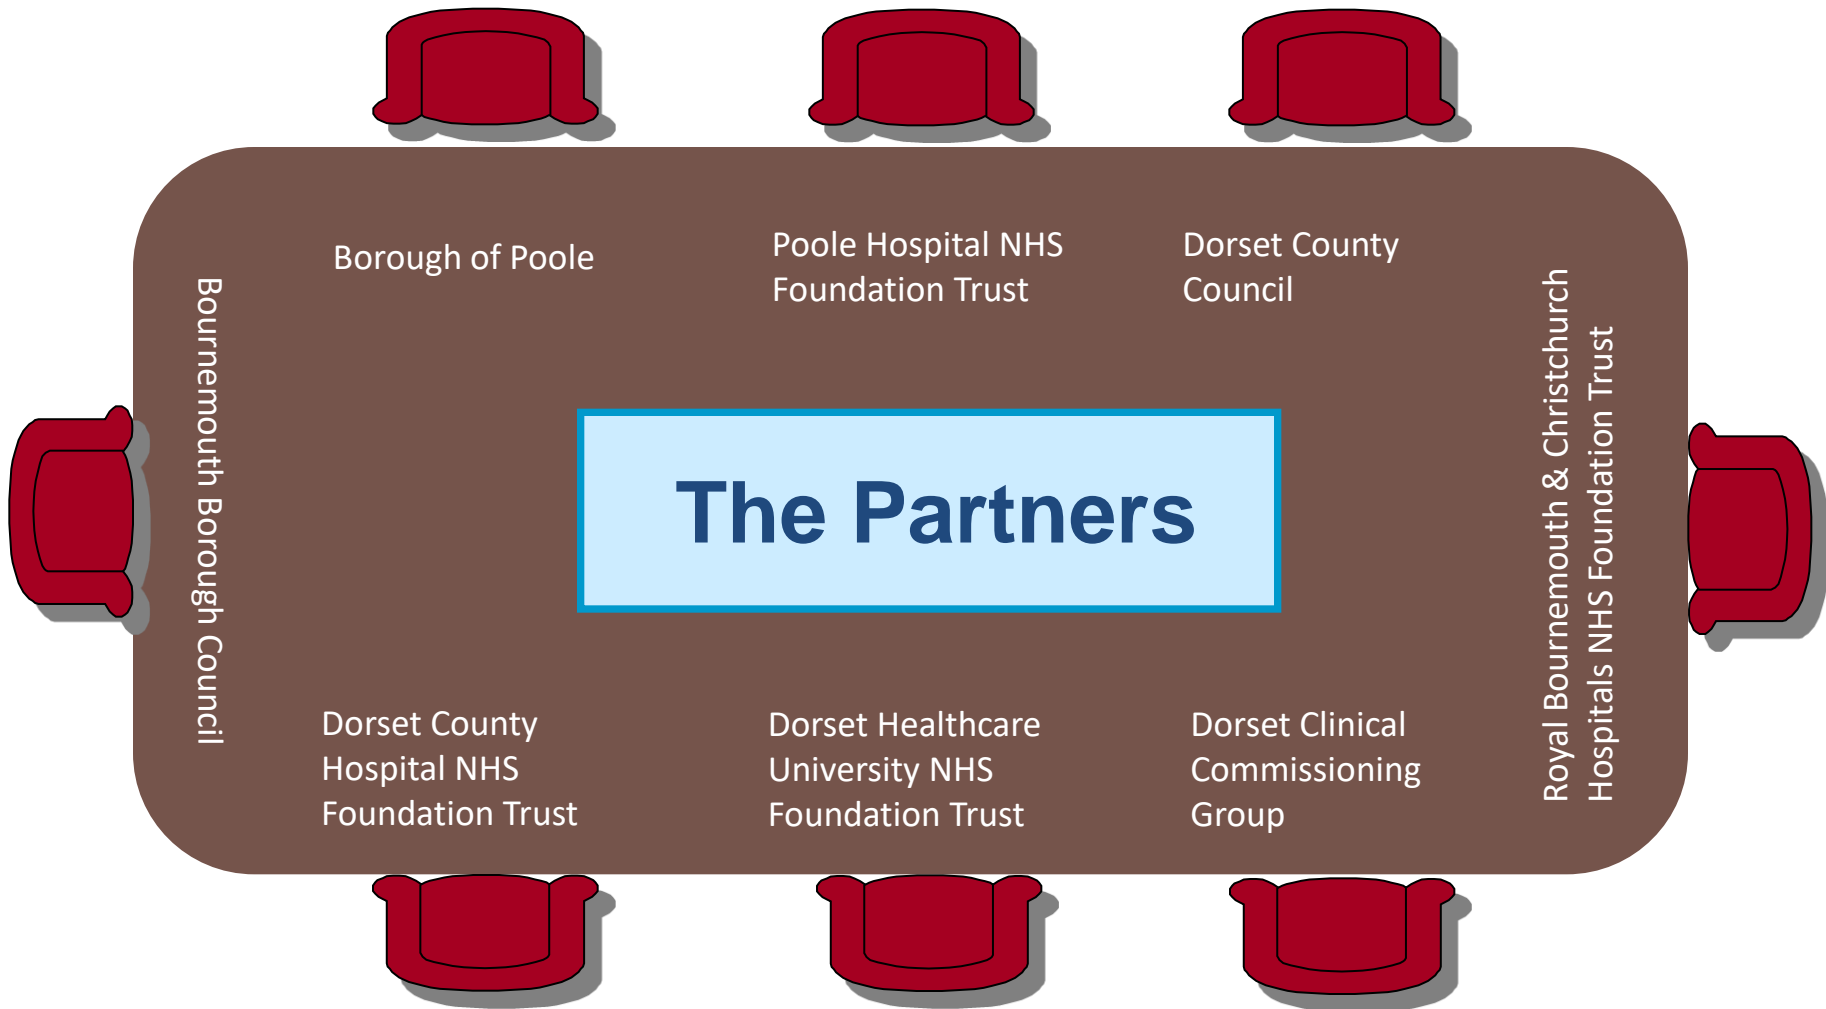

- Dorset's 65+ age group predicted to increase by 1.7% per annum
- That equates to 22, 100 people
- More than a $\frac{1}{4}$ of these (6,200 people) will be 85+ years old

Mid-year population estimates (2014), ONS

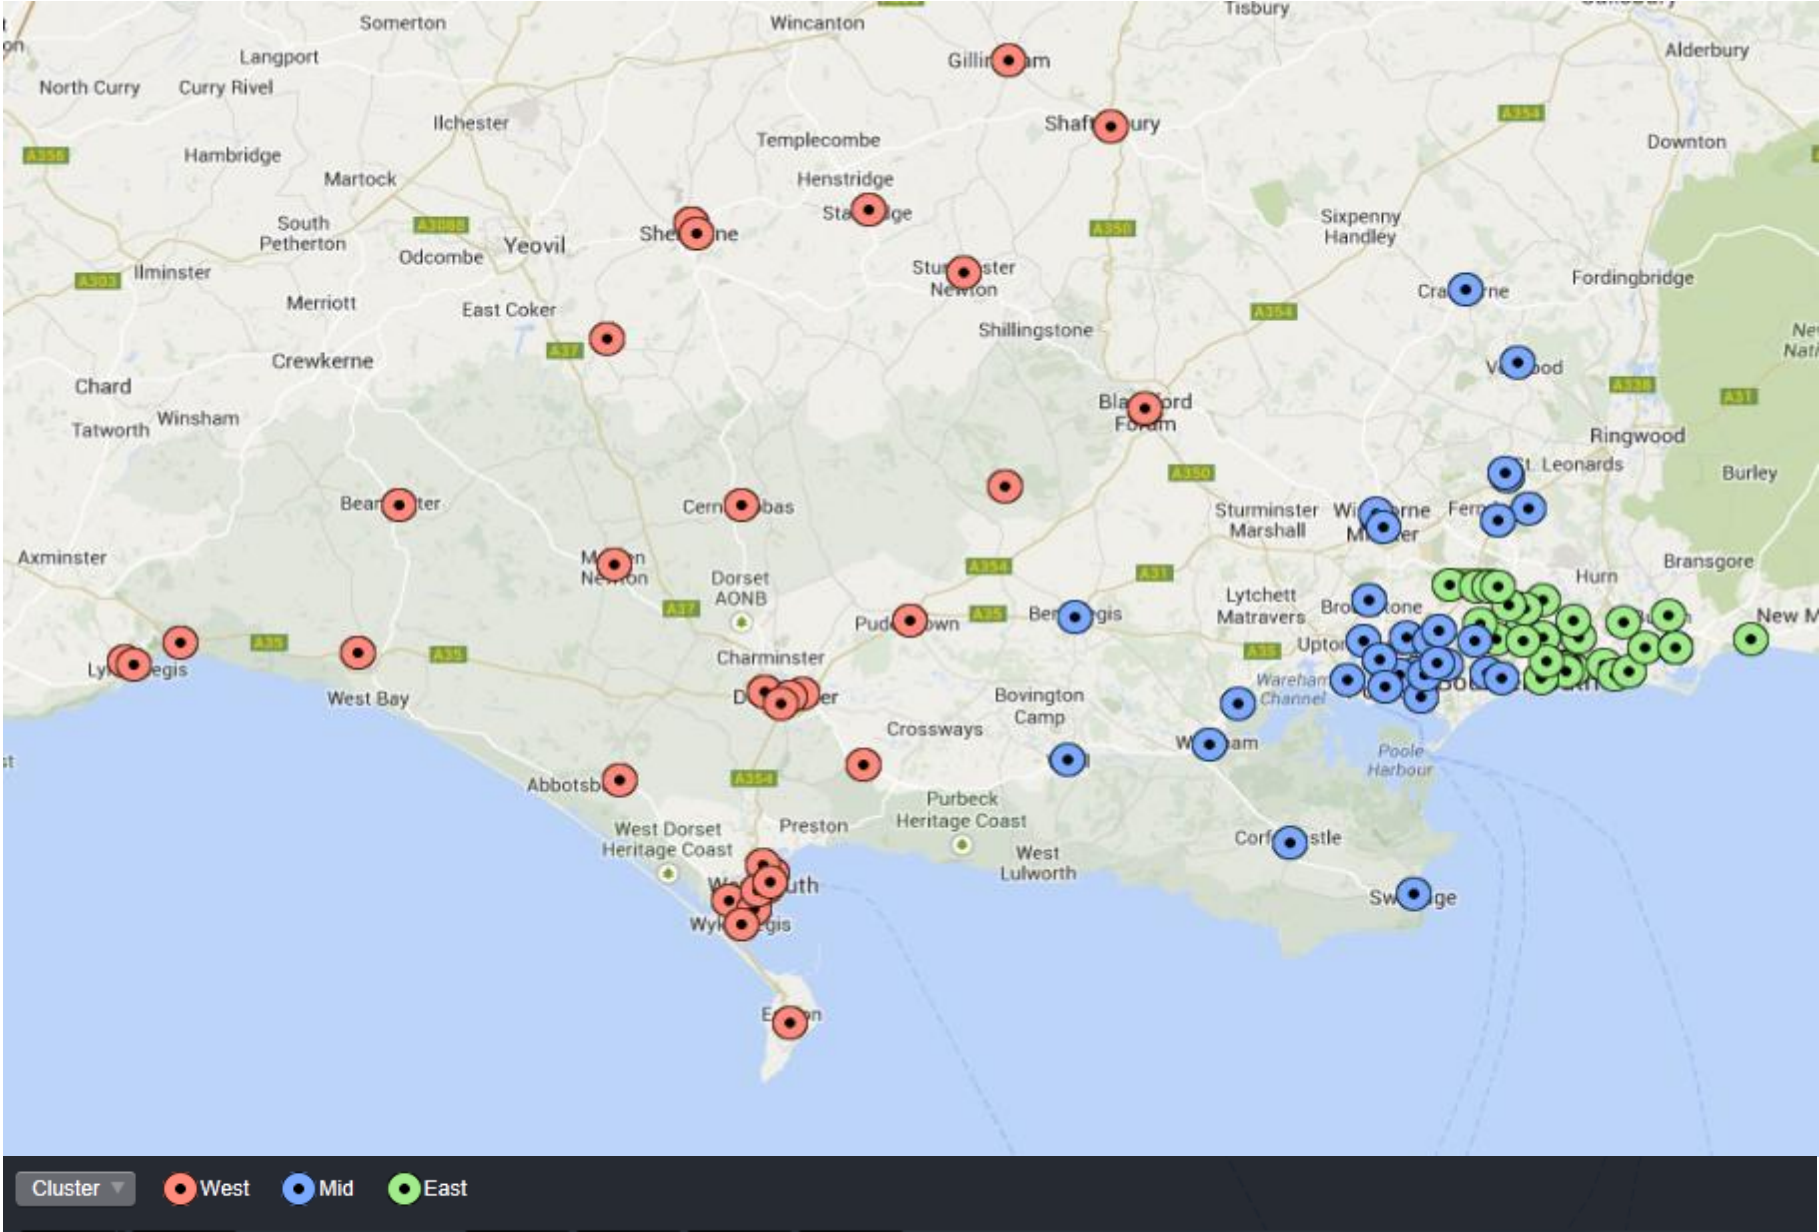

Subnational population projections (2012), ONS

Dorset Council (2015) State of Dorset, Older People
